Organizational aspects (Continued)	Strongly Agree							Strongly Disagree
	1	2	3	4	5	6	7	
41. (C 11) Laws and regulations are relatively well known by all the professionals in interprofessional groups	1	2	3	4	5	6	7	
42. (C 11) Everybody knows their area of responsibility	1	2	3	4	5	6	7	
43. (C 11) Everybody knows the area of responsibility of the other professionals	1	2	3	4	5	6	7	
44. (C 11) We need to inform each other about our area of responsibility	1	2	3	4	5	6	7	
45. (C 12) The needs of the clients are very important for how we work in interprofessional groups	1	2	3	4	5	6	7	
46. (C 12) Interprofessional groups exist because the state has decided that professionals should collaborate	1	2	3	4	5	6	7	
47. (C 12) Interprofessional groups exist because the clients want them	1	2	3	4	5	6	7	
48. (C 12) It is often difficult to get interprofessional groups to work well because professionals represent so many different interests	1	2	3	4	5	6	7
